# ***SELECTING A HERD BULL***

for your operation is not a decision you take lightly, it's a decision you know will impact the quality of your genetics and overall profitability for years to come. We are honored that you are considering our genetics and our 2025 Spring Bull offering.

In recent years, all cattle producers have faced drought, supply chain challenges, extreme weather, and rising input costs. We have taken this opportunity to focus on building our bull programs to bring both seedstock and commercial producers versatile bulls that cover the basics: functionality, performance-based, calving ease, structural integrity and phenotype.

As you consider your bull choices this spring, we hope you consider bulls raised by our operations. We are delighted to offer the following selection, and we welcome you to stop by for a viewing or a coffee anytime.

**7K Red Angus and Timber Creek Ranch**

**The Kimmey Family**

**The Davidson, Glascock and Gray Families**

# ***BULLS OFFERED BY 7K RED ANGUS AND TIMBER CREEK RANCH***

**are currently for sale on a first come, first serve basis  
and available to view anytime by appointment.**

## ***PRICING***

We have bulls for all budgets. The private treaty sale format allows us to save the significant expense of a sale and pass those savings on to our buyers. All bulls listed have an associated asking price, immediately available upon request. Prices may be negotiable based on various factors, including volume and repeat purchases. All sales are final.

## ***DIRECTIONS***

Located 2 miles west of Marietta, OK.  
Take Hwy 32 west to Putman Rd and turn North.

## ***HERD HEALTH***

All bulls come accompanied with proper health certificates for shipment. All bulls are fertility tested with scrotal measurements. Bulls are fully vaccinated and wormed.

## ***DELIVERY***

Free delivery within 150 miles. Beyond 150 miles, delivery can be negotiated to what it is fair and reasonable.

## ***FIRST BREEDING SEASON GUARANTEE***

Bull are guaranteed to be **100% sound and healthy breeders** with an unconditional first breeding season guarantee. They will have passed a Breeding Soundness Exam 30-45 days prior to the sale. The breeding season is defined as the 90-day period following the first turnout of the bulls. We will provide you with a satisfactory replacement, if available, or issue you a credit equal to the bull's purchase price minus the salvage value received for that bull.

## ***SIGHT UNSEEN PURCHASE GUARANTEE***

If your schedule or location does not allow you to come and see the bulls for yourself, give us a call, and we will choose bulls based on your preferences. Satisfaction is guaranteed, or you're not obligated to take delivery of bulls.
