# ***SELECTING A HERD BULL***

for your operation is not a decision you take lightly, it's a decision you know will impact the quality of your genetics and overall profitability for years to come. We are honored that you are considering our genetics and our 2026 Spring Bull offering.

In recent years, all cattle producers have faced drought, supply chain challenges, extreme weather, and rising input costs. We have taken this opportunity to focus on building our bull programs to bring both seedstock and commercial producers versatile bulls that cover the basics: functionality, performance-based, calving ease, structural integrity and phenotype.

As you consider your bull choices this spring, we hope you consider bulls raised by our operations. We are delighted to offer the following selection, and we welcome you to stop by for a viewing or a coffee anytime.

**7K Red Angus and Timber Creek Ranch**
